

# **DKC Mission Statement**

**DK-LOK** Canada Ltd (**DKC**) is the Canadian Exclusive Master Distributer of **DK-LOK** & **DK TECH** Ultra High Quality valve, fitting, tubing & related products.

We support various industries requiring leak free system components for Instrumentation, Process & Fluid Handling Systems.

**DK-LOK** & **DK TECH** innovative products are designed for a “GREEN” world with unparalleled value that is built in. By this we achieve true lowest overall cost for our valued customers by never sacrificing quality for price.

The **DKC** culture ensures **DKC** Team Members strive to go the *Extra Mile* every day and provide our valued customers with consistent superior service. We take pride in being technically sound, customer driven, while having fun in the process.

**DKC** Team Members also strive in making their dealings with our customers an enjoyable, and positive experience. Through this conscious effort we ensure long-term business relationships backed by cutting edge technology built into every **DK-LOK** & **DK TECH** product.
